About us

- Textiles and Clothing are the leading industry of Bangladesh. These Sectors are earning country's major portion of foreign exchange and creating huge job opportunities every year since 1980. Keeping this prospect in mind, The Dress & The Ideas was established in 2013 in a small scale. With the passage of time, it has been expanded into a large scale with good facilities of knitting, Cutting, and Sewing. Now the floor area is 50,000 Square Feet. Our factory is located at outskirts of Dhaka City. The location is Shimultoli, Jamgora, Ashulia, Savar which is 28 kilometers apart from the zero point of Dhaka and 17 km from the Hazrat Shahjalal International Airport.
- The main instruments of our success are the team work, skilled personnel and professionalism. The factory is designed to meet all compliances & human rights requirements. From the very beginning it has got a view to attend social commitments and make contribution to the economy. All expansion and development works of factory are being done keeping this vision in mind
- For the safety and welfare to the workers, the factory is equipped and protected with enough fire fighting equipments, fire alarm, drinking water facilities, workers canteen, sufficient number of toilets and first aid facilities. Medical centre and Day care centre are available in a suitable location of the factory building for better treatment of the workers and their children.

About us

- The Dress & The Ideas is renowned for producing casual and sports wear with different patterns and sizes of knit fabrics. It also works with special yarn like-Coolmax, Polyester, Micro polyester, Modal, Viscose etc.
- We have a well equipped and self sufficient sample room with expertise and can make sample in a day with available fabric and trims. Usually we are working on 60-75 days delivery with L/C at sight in both FOB and C&F
